Educator Certification in Rhode Island

Educator certification is the process through which Rhode Island educators demonstrate that they are prepared to enter the profession as new educators and then continue to demonstrate currency and competency within their specific area(s) of certification. Educator certification is required for all educators in all Rhode Island public schools, state approved special education programs and state funded pre-kindergarten programs.

1. Use of this application:

 This application should be used by all individuals applying for or renewing certification (including reciprocity) in Rhode Island EXCEPT those seeking an Alternate Route Program Certificate, an Emergency Permit, an Expert Residency Certificate, a Visiting Lecturer Certificate, a One-Year Career and Technical Education Certificate, or a One-Year School Nurse Teacher Certificate.

2. How to complete this application:

- Provide the required information in Sections A, B, and C. In section B, check the appropriate box(es) to indicate the
 Certification Request(s) and Certification Area(s). Use the Certification Area code chart on page 3 of this packet to
 identify the correct code(s) that are being requested. If you are seeking certification in World Languages, Bilingual
 and Bicultural Education, or Career and Technical Education (CTE), write in the specific World Language or CTE area
 that you are requesting.
 - Full certification: Individual meets all RI certification requirements for Initial, Professional, and Advanced certifications

 - Substitute permit: To request a 1-year permit to serve as a daily substitute in RI public schools
 - o Athletic coach permit: To request a 5-year permit to serve as an athletic coach in RI public schools
- Calculate and provide the appropriate fees for certification areas identified in Section B. Note: Payment must be included with the application and <u>all fees are calculated by certification area and per processing request and are non-refundable.</u>
- Review the list of required documentation on Page 2 and submit all required documentation in the specified format with your application. Note: Incomplete applications will be returned.
- Mail the completed application, fees, and documentation to the address on page 8 of this application.

3. When to apply for certification:

- Individuals may request new certificates at any time. Individuals may renew their certificates after January 1 in the year of their certificate expiration (i.e. any time after 1/1/12 for a certificate expiring on 8/31/12).
- Application processing and evaluation varies during the year based on demand and averages 12-16 weeks.
- 4. For more information consult the Office of Educator Quality and Certification website at:

Section C: Required Information and Authorization

Read the statements in the box below provide answers to the following questions and sign and date the authorization line attesting to the accuracy of the information in this application.

Teachers and other school personnel certified by the State of Rhode Island must be of good moral character. Rhode Island General Law 16-12-3 states that "Every teacher shall aim to implant and cultivate in the minds of all children committed to his care the principles of morality and virtue." Your answers to the following questions regarding your employment, criminal, and certification history are important. Any criminal matter covered by a question must be disclosed regardless of how long ago it occurred or how unimportant it may seem. Criminal matters do not necessarily preclude certification, but the failure to answer a question truthfully may result in disqualification. Furthermore, Rhode Island General Law 11-18-1 prohibits the submission of a document containing a false and misleading statement to a public agency, and Rhode Island General Law 11-58-1 prohibits the use of a falsified educational record of a postsecondary institution.

Disclosure of the Social Security Number on page1 is mandatory. It will be furnished to the Rhode Island Division of Taxation pursuant to Chapter 76 of Title 5 of the Rhode Island General Laws, which states that any person applying for or renewing a license to conduct a profession within Rhode Island must have filed all required state tax returns and paid all taxes due the state. The statute also requires the following certification: "I hereby certify, under penalty of perjury, that I have filed all required state tax returns and have either paid all taxes due the state, entered into a written time payment agreement with the Rhode Island Division of Taxation, or am pursuing administrative or appellate review of unpaid taxes."
